

Village of Combined Locks Grease Trap Inspections Summary Report April 30, 2015

FOG Control Program Update

In April, 2015, we met with representatives from the Village community to evaluate the FOG Control Program and discuss the periodic monitoring of the interceptor lines and manholes around the facilities with grease traps.

Summary of Site Visits

The following sites were inspected to verify the installation of grease traps.

Jerry Kamp's Bar
Mill Town Still and Grill
Kim's Place (Now Ricos and installation in process)

Reminder Letters

No reminder letters for are required for April.

Site Visits

Kim's Place (verify installation).
