Notice of Non-Compliance  
Heart of the Valley Metropolitan Sewerage District  
Ordinance Sec. 5.10  
Grease and/or Grit Traps

To Whom It May Concern:

Your facility is currently or has recently been in violation of the Heart of the Valley Metropolitan Sewerage District Fats, Oils and Grease (FOG) Control Program as authorized by Resolution 164 and District's Sewer Use and User Charge Ordinance, No. 2006-1.

You are in violation for your failure to install or maintain a grease trap or grease interceptor which has resulted in the unlawful discharge of FOG to the municipal sanitary sewer. If the violation is not remedied within the next 30 days, you will be subject to penalties, not to exceed fines of \$\_\_\_\_\_ per day.

Your cooperation in complying with our sewer use ordinance is greatly appreciated. If you should have any questions, feel free to contact us at 920-766-5731.

Sincerely,

Heart of the Valley Metropolitan Sewerage District
