Notice of Non-Compliance
Heart of the Valley Metropolitan Sewerage District
Ordinance Sec. 5.10
Grease and/or Grit Traps

To Whom It May Concern:

Your facility is currently or has recently been in violation of the Heart of the Valley Metropolitan Sewerage District Fats, Oils and Grease (FOG) Control Program as authorized by Resolution 164 and the District's Sewer Use and User Charge Ordinance.

You are in violation for your failure to install or maintain a grease trap or grease interceptor which has resulted in the unlawful discharge of FOG to the municipal sanitary sewer. If the violation is not remedied within the next 30 days, you will be subject to penalties, not to exceed fines of \$50.00 per day. Each day on which a violation continues to occur, shall be deemed a separate and distinct violation.

Your cooperation in complying with our sewer use ordinance is greatly appreciated. If you should have any questions, feel free to contact us at 920-766-5731.

Sincerely,

Glenn Geurts, District Director
Heart of the Valley Metropolitan Sewerage District
