Honorable Thomas M. Nelson, County Executive
Outagamie County
410 S. Walnut Street
Appleton, WI 54911

Dear County Executive Nelson:

Stephen Giebel has been a valued member of the Heart of the Valley Metropolitan Sewerage District Commission for the past 20 years. He recently retired as the Finance Director for the City of Kaukauna, and has informed me that he would like to step down from his duties on the Commission.

To fill the vacancy created by his retirement, I would like to recommend the appointment of John Sundelius, Director of Public Works for the City of Kaukauna, beginning in October 2015.

Please contact me with any questions or concerns you may have.

Sincerely,

Gene Rosin
Mayor
