Grease Trap Inspections Summary Report
December 31, 2015**

Sites Requiring Grease Trap Installation

Dick's Drive In (Installing 12/15)

Summary of Site Visits & Correspondence:

Dick's Drive In: Dicks Drive in was scheduled to have their trap installed on December 29th. At the time this is written, we have not confirmed the installation.

Linda and Logan's Restaurant: We stopped by the former Plum Hill Restaurant on 12/3, 12/8 and 12/29 and they have not yet opened.

Motomart: On December 8, 2015, we stopped by the Motomart on Crooks Ave (Former Express) to explain the FOG Program to the new management. They retained a contractor and had the trap pumped immediately after our visit.
