

Village of Kimberly Grease Trap Inspections Summary Report December 31, 2015

Summary of Site Visits and Correspondence:

Kimberly Assisted Living: Jay at Kimberly Assisted Living called to say that he didn't think the trap needed cleaning. We stopped out on December 16th and verified that the exterior trap was thick with grease. We told him to clean it as scheduled and have yet to get a response.

Caring For Kids: We have confirmed with Peterson Plumbing that the trap installation is scheduled for January 7, 2016.
