**Subject:** UW Milwaukee assessment  
**Attachments:** The IAC Application Form HOVMSD 6 8 16.doc

Glen,

Attached is the application for the UW Milwaukee engineering students assessment for energy efficiency. Originally I thought I could fill out the application solo, but after going through the application there are many questions I cannot answer. If you could fill out the remainder of the application and forward it to me, I can pass it along.

We emailed the Professor of the program and he has confirmed he will do the assessment this summer.

Steve
