Good Afternoon HOVMSD Commission President,

Dave,

Thank you for the letter pertaining to the retirement of Mr. Glen Geurts, I feel at this time the commission is moving in the correct direction with regards to seeking a successor for the replacement of the District Director. That thought line may change at some time in the future. I feel representation by local individuals is the most beneficial for our residents and users in our communities.

I also wanted to provide the HOVMSD with the new mailing address of the City of Kaukauna .

Have A Great Day

Gene
