This representation letter is provided in connection with your audits of the financial statements of Heart of the Valley Metropolitan Sewerage District [District], which comprise the statement of net position of the business-type activities as of December 31, 2016 and 2015 and the statements of revenue, expenses, and changes in fund net position and cash flows for the years then ended, and the related notes to the financial statements, for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.
