

Darboy Joint Sanitary District #1 Grease Trap Inspections Summary Report September 30, 2017

Summary of Correspondence and Site Visits

Little Chicago, China Garden, Thai Sushi, Stoneyard, Unos, Red Robin and Novo Grande: On September 9, 2017, the grease traps or downstream manholes for all of the above locations were checked. All the traps or manholes were in good condition.

Mac's/Pizza Ranch: On September 7, 2017 we checked the downstream manhole from Mac's and Pizza Ranch. The Mac's lateral is beginning to see a significant grease build up and the Bio-Life lateral was almost plugged with solids. The Pizza Ranch lateral looked to be almost grease free.

Four Seasons Catering: On September 7, 2017, we noted cars near the employee entrance to Four Seasons Catering. We stopped by several times and no one would answer the door. It is unknown if this site is still in operation.
