HOVMSD FOG Control Program Update December 2017

Overview by Community

Darboy Sanitary District: The Owners of Bella Thai finally cleaned their grease trap in late December. We will check it monthly to make sure that there are no issues with this facility going forward.

A total of 2 reminder letters are required and 5 site visits will be conducted.

Village of Combined Locks: There were no significant issues within the Village in December.

No reminder letters are required and no site visits are necessary.

Village of Kimberly: There were no significant issues within the Village during December.

There are 2 reminder letters to send and one site visit will be required.

Village of Little Chute: There were no significant issues within the Village during December.

There are 3 reminder letters to send and 3 site visits are required.

City of Kaukauna: The owner or Plan B has asked to speak to the Commission regarding the requirement that he install a grease trap in his facility. I have asked that he be placed on the agenda for the January 9th meeting.

A total of 3 reminder letters are required and 1 site visit will be performed.
