

Logo Apparel Allowance

The District desires its employees to present themselves and the organization to the public in a professional manner. Upon hire employees will be sized and provided two shirts and an HOVMSD logo jacket. In order to maintain apparel in good condition, the District will provide Heart of the Valley MSD logo apparel for each employee, up to \$100 per calendar year. Employees are expected to wear HOVMSD apparel when representing the District at conferences and seminars, member community meetings, and local institutions with whom HOVMSD does business.
