

## **Operations Update**

Plant Operations – Plant operations and treatment were good for the month of November. No TSS credits were used from the Water Quality Trading Plan.

Bio-Solids Hauling – No update.

## **Maintenance Update**

Two-Way Radio System Repeater – The new UHF Repeater has been installed.

Laser Flow System Meters – On December 4<sup>th</sup> Mulcahy Shaw came in to recheck all laser flow meters. There were a few minor adjustments made to some of the meters but most were in calibration.

HOV Agricultural Land (Grass Buffers) – No update.
