All:

Just received this morning. It looks like there will be some further discussion with East Central in September related to the landfill's SSA request.

**Subject:** Outagamie Co. Landfill - CFC Meeting

Good morning,

I am working on setting the next Community Facilities Committee (CFC) meeting for September 23<sup>rd</sup>. (virtual meeting). At the CFC meeting the Committee will once again consider taking action on the Outagamie County Landfill SSA Amendment request.

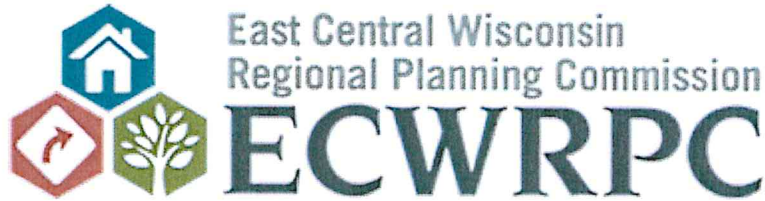

Outagamie County has requested an intergovernmental meeting prior to the CFC meeting on the 23<sup>rd</sup> to discuss Foth's report/findings. East Central as always wants to be as transparent as possible and agrees with the County that an

intergovernmental meeting before the CFC will allow for an informed and effective CFC meeting. EC will be setting up this intergovernmental meeting the week of September 7<sup>th</sup> (date and time to be determined). Foth and Outagamie County will present their report followed by an open dialog among all attendees. Unfortunately due to the times we are living in this meeting will be a virtual meeting and will be managed much like the last CFC meeting.

I will share the date and time of the meeting as soon as it is finalized. Meeting registration instructions will follow.

I am looking forward to discussing this and thank you all for working together and your continued efforts to move toward resolution.
