Scott:

I am available to meet as necessary to continue the discussion on the Interceptor Action Plan. I plan to be in the office each day next week (Nov 2-6) barring any unforeseen issues.

I do believe Dave is back in the Valley area would suggest we make arrangements according to his schedule and availability.

I did receive the handout via USPS that you referenced below.

Hi Dave and Brian...

- I was going to suggest that we briefly meet later the week when Dave returns
- drop a brief phone call to share dates
- we are struggling with our email - we can send - but not receive - sorry for the inconvenience until our IT resolves this
- we also US mailed a paper copy of Tuesday's handouts to each of your homes

enjoy the colors...
