On behalf of the Central States Water Environment Association (CSWEA), I would like to congratulate you as being selected as the recipient of the 2021 Operations Award for the State of Wisconsin. Under normal circumstances, the award would be presented during the 94<sup>th</sup> Annual Meeting Awards Event during the week of May 17-20, 2021. However, since our annual meeting is being held virtually, we would like to arrange to present your award during an online awards ceremony on Wednesday, May 19 at 3:00 p.m. Someone from CSWEA will be in touch with you to coordinate this in the next few days. In the meantime, you can preview the online event here:
