METROPOLITAN SEWERAGE DISTRICT

**Social media posts for the Heart of the Valley MSD
Effluent Disc Filter and Interceptor Rehabilitation Project
July 2023**

July post #1

[Heart of the Valley Metropolitan Sewerage District](https://hvmsd.org) (HOVMSD)'s effluent disc filter project is moving along! The filters arrived and were lifted into place with the use of overhead cranes.

Work is now underway to connect the filters to the rest of the treatment system. Learn more about HOVMSD and the Effluent Disc Filter Project at <https://hvmsd.org/disc-filter-project/>.
