

Hi Kevin,

We have an exchange reducer program where we send you a new or as rebuilt as new reducer and you send us the old one back with in 30 days from receipt of the new one.

That is cheaper than buying a new one without the return. Either way, fully warranted as a new unit.

Once back, if you want, we can inspect and advise cost to rebuild to new so you could have a spare as well.

The price for the exchange is **\$35,042.00**

FOB Factory Palmyra PA

Net 30 day terms

Shipment in 6-7 weeks

Address orders to:

**Philadelphia Mixing Solutions, LLC**  
**1221 East Main Street**  
**Palmyra, PA, 17078**

And email it to me for processing. [dan@tighe-zeman.com](mailto:dan@tighe-zeman.com)

Any questions let me know.

Sincerely,

Daniel C. Tighe, P.E.
