Subject: Approval of the Rehabilitate Interceptor System Project via CIPP Liner

Dear Mr. Helminger:

The Department of Natural Resources (hereafter Department) has completed the review of your Wastewater Facilities Plan. The Facilities Plan is hereby conditionally approved. The Department concurs with the selected alternative that includes the following.

- Install a cured in place pipe (CIPP) liner in the RCP interceptor system.
- Install high build epoxy coatings in structures to protect them from ongoing microbial induced corrosion (MIC).

This facility plan is approved under the following condition.

1. A DNR waterway permit is provided, or a written notice from the DNR Waterways and Wetland Permit section indicates one is unnecessary, prior to plans and specs approval.

The fundable capacity has been determined in conformance with s. NR 162.04(1)(c), Wisc. Administrative Code. Therefore, the recommended parallel cost ratio of 1.0 should be used for determination of the portion of the overall project construction eligible under the Clean Water Fund program.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to ss. 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review must name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to s. 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. All requests for contested case hearings must be made in accordance with s. NR 2.05(5), Wis. Adm. Code, and served on the Secretary in accordance with s. NR 2.03, Wis. Adm. Code. The filing of a request for a contested case hearing does not extend the 30 day period for filing a petition for judicial review.

This notice is provided pursuant to section 227.48(2), Wis. Stats.
