The actual tax carried onto the tax rolls each year shall equal the amount necessary to repay the actual principal amount drawn under the Notes, and any interest thereon, when due.

(b) The Municipality shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried into the tax rolls of the Municipality and collected as other taxes are collected, provided that the amount of tax carried into said tax rolls may be reduced in any year by the amount of any surplus money in the Debt Service Fund created in Section 7 hereof.

(c) If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the Municipality then available, which sums shall be replaced upon the collection of the taxes herein levied.

(d) There be and there hereby is appropriated from funds of the Municipality on hand a sum sufficient to be deposited in the Debt Service Fund to meet payments with respect to debt service due on November 1, 2024.

Section 7. Debt Service Fund. The proceeds of the taxes levied pursuant to Section 6 above, when collected by the Municipal Treasurer, and such further deposits as may be required by Section 67.11, Wisconsin Statutes, shall be placed and kept by the Municipal Treasurer as a separate fund irrevocably pledged for paying the principal of and interest on the Notes so long as any such Notes shall remain outstanding, to be known as the "General Obligation Sewerage System Promissory Notes, Series 2024 Debt Service Fund" (hereinafter referred to as "Debt Service Fund"). The accrued interest and any premium received at the time of delivery of the Notes shall be paid into the Debt Service Fund. Interest on or principal of the Notes falling due at any time when there shall be on hand in the Debt Service Fund insufficient funds for the payment of such principal and interest shall be paid promptly when due from other funds of the Municipality.

Section 8. Deposits and Investments. The Debt Service Fund shall be kept apart from monies in the other funds and accounts of the Municipality and the same shall be used for no purpose other than the prompt payment of principal of and interest on the Notes as the same becomes due and payable. All monies therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34 of the Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m) and 67.10(3), Wisconsin Statutes. All income derived from such investments shall be regarded as revenues of the Municipality. No such investment shall be in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or the Regulations of the Commissioner of Internal Revenue thereunder.

An officer of the Municipality charged with responsibility for issuing the Notes shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Notes are not "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended, or the Regulations of the Commissioner of Internal Revenue thereunder.

Section 9. Operation of Project; Municipality Covenants. It is covenanted and agreed by the Municipality with the owner or owners of the Notes, and each of them, that the Municipality will perform all of the obligations of the Municipality as set forth in the Financial Assistance Agreements.

Section 10. Sale of Notes. The sale of the Notes to the State of Wisconsin Clean Water Fund Program for the purchase price of up to \$21,639,083 and at par, is ratified and confirmed; and the officers of the Municipality are authorized and directed to do any and all acts, including executing the Financial Assistance Agreements and the Notes as hereinabove provided, necessary to conclude delivery of the Notes to said purchaser, as soon after adoption of this Resolution as is convenient. The purchase price for the Notes shall be paid upon requisition therefor as provided in the Financial Assistance Agreements, and the officers of the Municipality are authorized to prepare and submit to the State requisitions and disbursement requests in anticipation of the execution of the Financial Assistance Agreements and the issuance of the Notes.

Section 11. Amendment to Resolution. After the issuance of any of the Notes, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Notes have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the Municipality may, from time to time, amend this Resolution without the consent of any of the owners of the Notes, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Notes then outstanding, exclusive of Notes held by the Municipality; provided, however, that no amendment shall permit any change in the pledge of tax revenues of the Municipality or the maturity of any Note issued hereunder, or a reduction in the rate of interest on any Note, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Notes may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Note to which the change is applicable.

Section 12. Rebate Fund. Unless the Notes are exempt from the rebate requirements of the Internal Revenue Code of 1986, as amended (the "Code"), the Municipality shall establish and maintain, so long as the Notes are outstanding, a separate account to be known as the "Rebate Fund." The sole purpose of the Rebate Fund is to provide for the payment of any rebate liability with respect to the Notes under the relevant provisions of the Code and the Treasury Regulations promulgated thereunder (the "Regulations"). The Rebate Fund shall be maintained by the Municipality until all required rebate payments with respect to the Notes have been made in accordance with the relevant provisions of the Code and the Regulations.

The Municipality hereby covenants and agrees that it shall pay to the United States from the Rebate Fund, at the times and in the amounts and manner required by the Code and the Regulations, the portion of the "rebate amount" (as defined in Section 1.148-3(b) of the Regulations) that is due as of each "computation date" (within the meaning of Section 1.148-3(e) of the Regulations). As of the date of this Resolution, the provisions of the Regulations specifying the required amounts of rebate installment payments and the time and manner of such payments are contained in Sections 1.148-3(f) and (g) of the Regulations, respectively. Amounts held in the Rebate Fund and the investment income therefrom are not pledged as security for the Notes and may only be used for the payment of any rebate liability with respect to the Notes.

The Municipality may engage the services of accountants, attorneys or other consultants necessary to assist it in determining the rebate payments, if any, owed to the United States with respect to the Notes. The Municipality shall maintain or cause to be maintained records of determinations of rebate liability with respect to the Notes for each computation date until six (6) years after the retirement of the last of the Notes. The Municipality shall make such records available to the State of Wisconsin upon reasonable request therefor.

Section 13. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owner or owners of the Notes, and after issuance of any of the Notes no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 11, until all of the Notes have been paid in full as to both principal and interest. The owner or owners of any of the Notes shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the Municipality, the Governing Body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the Municipality, its Governing Body and any other authorized body, to take any and all actions necessary to carry out all of the provisions and agreements contained in this Resolution.

Section 14. Requirements of Municipality. The officers of the Municipality, staff of the Municipality, attorneys for the Municipality, financial consultants of the Municipality, or other agents or employees of the Municipality are hereby authorized to do all acts and things required of them by this Resolution for the full, punctual and complete performance of all of the provisions of this Resolution.

Section 15. Illegal or Invalid Provisions. In case any one or more of the provisions of this Resolution or any of the Notes shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Resolution or of the Notes.

Section 16. Continuing Disclosure. The officers of the Municipality are hereby authorized and directed, if requested by the State of Wisconsin, to provide to the State of Wisconsin Clean Water Fund Program and to such other persons or entities as directed by the State of Wisconsin such ongoing disclosure regarding the Municipality's financial condition and other matters, at such times and in such manner as the Clean Water Fund Program may require, in order that securities issued by the Municipality and the State of Wisconsin satisfy rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended and as it may be amended from time to time, imposed on brokers and dealers of municipal securities before the brokers and dealers may buy, sell, or recommend the purchase of such securities.

Section 17. Conflicting Resolutions. All ordinances, resolutions, or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage.
