

Heart of the Valley
METROPOLITAN SEWERAGE DISTRICT

Items for Consideration

For Commission review on: 4/14/26 Regular meeting

Agenda Item Topic: 2025 Clearwater Review – Mike Gerbitz

Report: Mike will present the Donohue’s findings related to I&I observations, blending events, and the amount and costs overall for clearwater intrusion being treated at HOVMSD. This will be the main topic on the community meeting on April 28th and Donohue will incorporate Commissioner feedback into finalizing the report and into content for the member communities.

Recommendation/Board Action: No formal action necessary. Can be “accepted and placed on file” if desired.
